Subject: afternoon ladies

Randy mentioned you called Nelda....you guys have done absolutely nothing wrong.

You have been wonderful to us and we so appreciate it.

We just felt like we needed to move some money around with the scandalous news media starting again.

We had hoped by now that we would be exonerated and all would be good but it doesn't look like that will happen anytime soon.

When the government wants your money they will go to all extremes to get it. So we are just trying to be careful.

Thank you guys for being so good to us.
